

## *Altea Collection*

**INCLASS**

**DESIGN** Jorge Pensi  
Inclass, Spain

Altea is a collection of supremely comfortable armchairs, available in two backrest heights and with various base options. The wide selection of versions combined with its smooth, embracing curves make the Altea the perfect seating solution over a broad range of applications and in a variety of spaces.

Altea Low Back is available on the following base options: 4 Leg, Timber 4 Leg, Sled, Cantilever, 4-Way Swivel, 5-Way Castor.

Altea High Back is available on the following base options: 4-Way Swivel and 5-Way Castor.

Altea XL High Back is available on a 5-Way Castor base.

# PRODUCT DATASHEET

## *Altea Materials & Finishes*

- UPHOLSTERY:** Inner steel frame, covered in high density CMHR, mould-injected polyurethane foam, upholstered in house fabric/leather or COM/COL.
- 4 LEG FRAME:** 18mm steel tube, in polished chrome or powdercoated to selected house colour.
- SLED FRAME:** 12mm solid steel rod, in polished chrome or powdercoated to selected house colour.
- 4-WAY SWIVEL:** Made from 18mm reinforced steel tube OR cast aluminium alloy, polished or powdercoated to selected house colour.
- 5-WAY CASTOR:** Die-cast aluminium alloy, equipped with a height adjustable pneumatic column to adjust seat height with optional multi-lock tilt mechanism with tension adjustment. Fitted with twin soft-tread, 65mm, self-braking castors. Available polished or powdercoated to selected house colour.
- TIMBER BASE:** Inner steel structure with solid Oak timber surround, finished to selected house colour
- GLIDES:** Standard self levelling plastic glides or optional felt glides suitable for hard or delicate surfaces.  
Timber 4 Leg comes with standard felt pads.  
Sled base comes with plastic glides, fixed to the structure with screws to prevent them from detaching.
