

Pola Round Armchair Collection

CRASSEVIG

DESIGN LC Studio
Crassevig, Italy

The shell of the Pola Light and Pola Round seating collection has a strikingly simple shape which follows and supports the lines of the human body with amazing comfort. Constructed in polypropylene, the shells are available in 9 solid colours, with an upholstered seat pad or fully upholstered fabric or leather.

Designed for heavy contract use, Pola is ideal for hospitality, workplace, education and residential environments and is also suitable for outdoor use when specified in suitable finishes. Produced using low environmental impact processes, the Pola chair is lightweight and easily stackable 16 high without arms, or 10 high with arms.

The Pola family of seating includes a chair and armchair on a variety of base options: 4 Leg (timber or steel), Sled, 4-Way Swivel on glides, timber 4-Way Trestle and 5-Way Swivel chair on castors. Chairs are available with or without arms, and in selected house colours or finishes
