

## *Cape Armchair*

**tekhne**

**DESIGN** Something  
Tekhne, Italy

Cape is simple, familiar collection characterised by a generous seat and contoured padding. The external cushioning hides a softer internal padding that provides maximum comfort. The considered seam work emphasises the contours of the shell, while the solid timber legs add to the warm aesthetic. Proportions, geometry and details define a new but familiar elegance, ideal for home and contract space.

The Cape family comprises a sofa, lounge chair and compact lounge chair and an armchair.
