

Unnia Chair Collection

INCLASS

DESIGN Simon Pengelly
Inclass, Spain

The Unnia collection is a versatile and extensive range of chairs with a unique mix and match concept. Sleek lines, conceptual purity and a timeless spirit, are the hallmarks of this original collection. The design enables the combination of different finishes and colours to the seats, backrests and frames allowing endless possibilities. In addition, the collection offers chairs with a range of bases and frames that increase the potential for customisation and allow for a broad spectrum of use in all kinds of spaces, settings and decorative styles.

The Unnia 4 Leg and sled base chair are stackable up to 10 chairs on the floor or 20 chairs on a trolley. Accessories include a stacking trolley, writing tablet, linking mechanism and the option of nylon or felt glides to suit customer floor types.

The Unnia family includes the following base options; 4 Leg (metal and timber), Sled, 4-Way Swivel, 4-Way Pedestal and 5-Way Swivel chair on castors. All chairs are available with or without arms, and in selected house colours or finishes. Also available to complement the range are the Unnia Soft lounge chairs available with both sled and swivel bases.
