

w103 Sempé b traffic white

Technical information

Physical

Material	Shade & LED engine: aluminium Arm: aluminium & steel Base & clamp: iron
-----------------	--

Optics	Diffuser: polycarbonate
---------------	----------------------------

IP rating	20
------------------	----

Protection class	III
-------------------------	-----

LED

Light source	Integrated LED
---------------------	----------------

Lifetime expectancy	L80 / 50,000 h
----------------------------	----------------

Colour rendering index (CRI)	97
-------------------------------------	----

Standard deviation of colour matching	3-step MacAdam
--	----------------

Replaceable by a professional

The technical data represent rated values for an ambient temperature of 25°C. The data values for the luminous flux are initially subject to a tolerance of +/- 10%, those for the electrical connected load are initially subject to a tolerance of +/- 10%, and those for the colour temperature are initially subject to a tolerance of +/- 150 K. No liability is assumed for typographical or printing errors. The applicable General Terms & Conditions apply.

Article-specific information
