**DESIGN** KATHY ARNOLD  
WORTHY, AUSTRALIA

A\_SOP is an all-Australian lounge collection, designed, made and specified through a simple sum of parts.

18 well-proportioned modules and a series of tables make up the collection, providing designers and specifiers complete flexibility in arranging components.

A\_SOP is a collaboration between ownworld and designer Kathy Arnold, with a curated selection of Kvadrat Maharam house fabrics to achieve optimum upholstery outcomes.
