

## *All Sorts*

**DESIGN** IN HOUSE  
SWISS DESIGN, AUSTRALIA

The All Sorts collection by Swiss Design offers a rich, inviting lounge experience inspired by the beloved confectionery of the same name. Masterfully layered with contrasting densities of foam, each piece achieves a soft yet supportive seat, wrapped in a pillowy cover that provides a softer aesthetic with commercial endurance.

The collection features a variety of configurations, including small and large ottomans (square, rectangle and round), single lounges, double lounges with left and right arm options, chaise lounges, single loungers and 90-degree corner lounges with radius or straight backs. A European-style cross-stitch detail, available in a range of thread colours, adds a distinctive touch. The full collection is available for outdoor use, with optional protective covers to enhance durability.

Designed and manufactured in Australia, the All Sorts collection reflects Swiss Design's commitment to thoughtful production and enduring quality — offering comfort and flexibility to suit a wide range of contemporary settings.
