

Apollo

DESIGN PATRICK NORGUET
ARTIFORT, NETHERLANDS

Like a sweeping stroke of elegant calligraphy, the Apollo armchair embodies poise, openness and exceptional ergonomics. Designed by Patrick Norguet, it expresses a sense of balance and harmony, creating a timeless design destined to become a modern classic.

Developed for both residential and commercial interiors, Apollo offers refined comfort with a distinctive sculptural presence. Its 360-degree swivel function makes it ideally suited to open spaces, allowing effortless movement and interaction. The armchair enhances a variety of environments, from lobbies and waiting areas to luxury offices and private homes.

Available in a wide selection of premium fabrics, textures and colours, Apollo can be tailored to complement diverse interior styles while maintaining its elegant and enduring character.
