

Apper

laCividina

DESIGN ANTONIO RODRIGUEZ
LACIVIDINA, ITALY

Apper is a modular system designed to create various seating arrangements, from individual linear sofas to expansive sofa islands, including options with a chaise-longue. Its minimalist design, combined with generous volume, allows it to seamlessly integrate into any setting, whether at home or in public spaces.

With a range of upholstery options available, the character of the Apper sofa can be easily customised to match the aesthetic of any interior design. Whether you're looking for sleek modernism or a cosier feel, Apper adapts to your style with ease.
