DESIGN STUDIO PASTINA
MIDJ HOUSE FABRICS, ITALY

Area is Midj's first lounge collection and embodies the concept of transversality, which underpins Midj's extensive collection.

Designed by Studio Pastina, Area combines soft seating with an essential and clean design. The cushion shape is repeated through the construction of the seat, back and armrests. Soft and welcoming, the volumes are designed to accompany the body in a dynamic and harmonious way.

Aesthetics, functionality and comfort are the fundamentals explored by Studio Pastina, Area responds to the specific need of putting people at ease, whether they are at home or in the office – allowing people to find a moment of relaxation or conviviality.
