

Aria

DESIGN ANTONIO RODRIGUEZ
LACIVIDINA, ITALY

The Aria chair is a signature piece, both a lounge chair and a work of art that can be admired as well as used. Produced by precisely laser cutting a sheet of stainless steel plate to create rhombuses that form its main body, Aria is the perfect blend of lightness, technological prowess and superb handmade craftsmanship.

Aria's elegant curves are covered in natural hide leather, hand stitch in place while the interior is finished in a matte black powdercoat. A harmonious balance between volume and space, advanced technology and craftsmanship make Aria look magically futuristic.
