

Axel 90 Sled

CRASSEVIG

DESIGN ENRICO FRANZOLINI
CRASSEVIG, ITALY

The Axel seating and lounging collection is defined by its elegant lines and pleasing proportions that give it a familiar vintage air. The range is expansive in its offering, ensuring a suitable solution in a wide range of environments.

The variable thickness of the upholstered seat and backrest has been expressly designed to give it unmatched levels of comfort and durability. Available in three backrest heights, in a variety of materials and base finishes Axel is designed to follow and support the curvature of the body.

The Axel collection has expanded to include a lounge chair with backrest available in two heights, a 2-seat sofa and a stool, available in both counter and bar heights.
