DESIGN MONICA FÖRSTER
OFFECCT - FLOKK, SWEDEN

“To me, inspiration from the sporting world means great attention to detail — and the combined effect of the whole and the details. It’s a chair that is highly crafted, premium in every detail, but with something of a cool rough edge. We’ve invested a great deal of effort to create a chair that looks equally good from every angle, as well as from the back, which I think is a bit unusual. The leather will give the chair a nice patina, aging gracefully with time. The more you use it, the more beautiful it gets”, says Monica Förster.
