

Binar 60 Cantilever

INCLASS

DESIGN INCLASS STUDIO
INCLASS, SPAIN

The Binar Collection of armchairs are designed to be integrated with ease into a diverse range of spaces while still retaining a common aesthetic. The collection offers numerous customisation possibilities to suit the requirements and style of each project. A refined design, expansive versatility and high comfort are the hallmarks of the Binar Collection.

Binar's versatile design allows the collection to easily inhabit meeting spaces, offices or coworking environments. Comfort, functionality, and versatility also make them ideal armchairs for hospitality spaces and waiting areas. The Binar is also well suited to home office spaces as it fits the requirements of a light task chair.
