

Bowler

DESIGN ESTUDI{H}AC
BLASCO&VILA, SPAIN

The Bowler Collection takes its inspiration from the Bowler Hat — a hard felt hat with a rounded crown, designed in 1844 to protect the heads of English forest rangers. The Bowler Collection by estudi{H}ac is an elegant and contemporary rendition that pays homage to the iconic hat.

Bowler is available as a chair, stool and lounge with a distinctive ring metal base.
