

Cape

LIVONI
— since 1895

DESIGN

LIVONI, ITALY

Cape is simple, friendly looking collection characterised by a generous seat embraced by contoured padding. The light padding on the outside hides a softer internal padding that provides maximum comfort. Seams emphasise the contours of the shell, while the solid timber legs add to the warm aesthetic. Proportions, geometry and details define a new but familiar elegance, for an autonomous object, ideal for home and contract space.

The Cape family comprises a lounge chair, a sofa and a dining armchair.
