

Capisco 8105 Classic Saddle

Flokk

DESIGN PETER OPSVIK
HÅG – FLOKK, NORWAY

The HÅG Capisco collection is a design icon that continues to withstand the test of time. Inspired by a horseback rider's posture, its pioneering saddle seat and overall unique shape, offer endless ways to sit or half stand. All of which encourage you to vary your position, whether you're facing forwards, backwards or sideways. Whatever feels most comfortable.

The Capisco 8105 is a flexible stool with a saddle seat. The seat can be adjusted between low and high working positions, all the way up to a sit-stand position, enabling you to be more dynamic in your movements while still sitting in a balanced position.
