DESIGN LUCANICHETTO
ET AL., ITALY

Classy – a new and important collection of chairs designed by Luca Nichetto – demonstrates the signature of international design with absolute suitability for contemporary projects.

Composed of a chair, armchair & stool, Classy is the result of an exemplary alchemy between functional elements and a defined aesthetic, bringing with it a high standard of comfort and ergonomics. The shape is light, elegant and elastic, made even more evident by contrasts in its matt and glossy surfaces. Classy can be used inside and outdoors.
