DESIGN CLAESSON KOIVISTO RUNE
WÄSTBERG, SWEDEN

Cone M, designed by Form Us With Love for Wästberg+, is a refined lighting fixture that balances understated design with practical illumination. Its clean, minimalist form and balanced scale make it well suited to a variety of interiors, from contemporary homes to commercial environments.

Crafted from high-quality materials, Cone M features a simple, elegant silhouette that provides soft ambient light, ideal for creating a warm and inviting atmosphere.

Whether suspended above a dining table, positioned within a living space, or used in a workplace setting, it delivers a gentle, diffused light that enhances a room without dominating it.

The timeless character of Cone M allows it to integrate comfortably across a range of interiors, from modern to more traditional settings. Its restrained design and effective illumination make it a considered choice for those who value both beauty and function.
