DESIGN CLAESSON KOIVISTO RUNE
WÄSTBERG, SWEDEN

Cone XL, designed by Swedish trio Claesson Koivisto Rune for Wästberg+, is a striking lighting fixture that combines scale with minimalist design. Perfectly suited to larger spaces, its bold proportions create a strong visual statement while maintaining an elegant, refined aesthetic.

Crafted from premium materials, Cone XL provides a generous spread of light, offering both ambient and focused illumination.

Its clean lines and contemporary form allow it to integrate seamlessly into a variety of settings, from expansive living rooms to open-plan offices and hospitality environments.

With its commanding presence and understated elegance, Cone XL elevates a space with modern sophistication, bringing both function and style to the interior.
