

## Cone XS

wästberg

**DESIGN** CLAESSON KOIVISTO RUNE  
WÄSTBERG, SWEDEN

Cone XS, designed by Swedish trio Claesson Koivisto Rune for Wästberg+, is a compact lighting fixture that combines minimalist design with functional illumination. Despite its smaller scale, Cone XS creates a confident presence, delivering a soft, ambient light suited to a variety of interiors.

Crafted from high-quality materials, it features a clean, simple form that allows it to integrate seamlessly into different spaces.

Whether suspended above a kitchen island, used as a subtle feature in a hallway, or grouped to form a more expressive installation, Cone XS works comfortably across both residential and commercial environments.

Its understated aesthetic and versatile proportions make Cone XS a timeless addition, offering a refined balance of design and light.
