ZANETI

DESIGN ZANETI R&D
ZANETI, AUSTRALIA

Founded in Australia, Zaneti creates furniture for hospitality, workplace and public environments – balancing durability with a distinctly relaxed approach to outdoor living. Drawing influence from European café culture and contemporary Australian lifestyles, the collection spans seating, tables and lounges designed for both indoor and outdoor application. Defined by clean silhouettes, colour and enduring materials, Zaneti pieces feel equally suited to rooftop terraces, restaurants and evolving commercial spaces.
