

## *Dam 5-Way Castor*

**arrmet**

**DESIGN** ARRMET LAB  
ARRMET, ITALY

Dam is a seating collection, characterised by an elegant and encompassing backrest. Each element, the seat and layered back/armrests, are held together using innovative technology resulting in exceptional comfort and lumbar support.

Dam is available upholstered in a variety of fabrics and can be finished in a single colour or with a gradient of different tones. Dam is available on a 4-way swivel or 5-way castor base and is also available as a stool, in both counter and bar height.
