DESIGN NIELS BENDTSEN
BENSEN, CANADA

Featuring smooth surfaces and soft, down-filled cushions, the Delta is a fresh addition to the Bensen collection.

The versatility of its modules and foot style (wooden or metal) allows for a seamless transition from residential to contract application.

Superior comfort is created through the multi-layer seat cushions, webbed frame and large back cushions while the built-in steel frame allows for corner or inset foot placement.

Delta is available as a 2/2.5 or 3 seater lounge, modular lounge and club lounge chair.
