DESIGN CANTARUTTI STUDIO
CANTARUTTI BEECH TIMBER FINISHES, ITALY

A family of flexible seating that outlines an enduring contemporary style. Ergonomic shapes fit into simple and welcoming lines: the soft seat and the enveloping back of the armchair become the expression of a recognisable design, able to stand out in any environment without being intrusive. From domestic spaces to public and convivial environments, Dixie is a collection of comfort and elegance.

The chair and armchair are fully customisable thanks to a wide variety of leather or fabric upholstery. The stool completes the collection, confirming the perfect expressive harmony that binds the different elements together.
