CRASSEVIG

**DESIGN** DESIGN STUDIO TECHNICO CRASSEVIG  
CRASSEVIG, ITALY

A collaborative effort of Studio Technico Crasvevig from 1970, the Dondolo rocking armchair has attained an iconic status in the Crasvevig collection. The choice of materials, the solid wood steam bending technique, the weave of leather and cotton and the ergonomic design are perfectly reproduced in a model that epitomises the *“Made in Italy”* label.

Comfortable and relaxing, Dondolo is available with either cotton or hide leather straps, hand woven into the seat and back frame.
