

## *Dory*

**cantarutti**

**DESIGN** ADAM GOODRUM  
CANTARUTTI, ITALY

Dory draws inspiration from the small timber rowboats of the same name to conjure time spent leisurely fishing in these iconic drift boats. This association finds expression in the easy relaxed language of the Dory collection through its honest timber construction and gently curving silhouette. This combination of craftsmanship and soft comfort is at once strong and relaxed, striking a balance between visual simplicity and invitation.
