

Edward Sectional

DESIGN NIELS BENDTSEN
BENSEN, CANADA

The Edward sofa pays homage to the highly influential designs of American mid century designer Edward Wormley. The 'Edward' is a contemporary reinterpretation of the mid century archetype established by Wormley.

The sofa combines the use of several down-filled back cushions with a single seat cushion giving it an informal and relaxed appearance. The buttoned seat cushion alludes to the Edward's mid century roots, yet its proportions and comfort are decidedly contemporary. The backrest and arms are appropriately scaled to give excellent back support without appearing oversized and heavy, while the down-filled back cushions conform to give superb comfort.

Edward is available as a 2/3 or 4 seater lounge or in various modular configurations.
