

Emma

CRASSEVIG

DESIGN SVEN DOGS DESIGN
CRASSEVIG, ITALY

The Emma chair and armchair by Studio Sven Dogs Design for Crassevig, is ideal for architects and designers who are looking for a light, ergonomic and welcoming collection. The woven rope emphasises the essential and elegant lines, guaranteeing unique comfort, with the durability of coated steel at its core. A wide selection of the materials transforms Emma into a versatile concept for private and contract spaces, indoors and outdoors.
