

Escape Modular

DESIGN VIDAK STUDIO
NEW ZEALAND

Most soft seating is designed for simply sitting – not for working. Escape gives you the best of both worlds, enabling you to create versatile spaces where people can catch up, relax or work quietly.

All Escape seating – from single chairs to sofas – is designed to be as ergonomic as possible, making it easier to work where you sit. Higher seat backs can be used to divide areas and create a sense of privacy.

LEADTIME

6–8 Weeks

WARRANTY

3 Year Structural

CERTIFICATION
