

F504

DESIGN GEOFFREY HARCOURT RDI
ARTIFORT HOUSE LEATHERS, NETHERLANDS

Inspired by modernist aesthetics, the mid-sized F504 armchair combines flowing curves with sleek, refined lines to create a generous and inviting seating experience.

Featuring an ergonomic silhouette and exceptional craftsmanship, this elegant swivel chair brings a sense of style and sophistication to any interior. Its considered design balances comfort and visual appeal, making it a timeless addition to contemporary spaces.

Recognising the enduring appeal of F504, Artifort returned the chair to production in 2024 with a subtle update to its steel base, preserving its iconic character while enhancing its contemporary relevance.
