DESIGN GEOFFREY HARCOURT RDI
ARTIFORT HOUSE LEATHERS, NETHERLANDS

F507 swivel armchair brings together comfort, craftsmanship and design heritage in a carefully sculpted form. Flowing curves are paired with clean lines to create a compact, ergonomic silhouette that invites relaxation. The result is a mid-sized armchair with a generous presence, balancing contemporary refinement with timeless appeal.

Expertly crafted upholstery, featuring button detailing across the inner backrest and seat, adds depth and a subtle sense of luxury while maintaining the clarity and elegance of the design. Created by Geoffrey D. Harcourt RDI, F507 complements F504 and F506 models within the collection, bringing style, character and sophistication to a variety of interiors.
