

FourCast® 2 4-Way Swivel

DESIGN STRAND+HVASS
OCEE & FOUR DESIGN POLYPROPYLENE COLOURS, DENMARK

FourCast® 2 is a versatile seating collection designed for shared spaces, meeting rooms and high-use workplace environments. Defined by its distinctive V-shaped backrest and gently flexible shell, the collection brings together ergonomic support, durability and a calm architectural presence.

Available across four-leg, sled, castor and stool configurations, FourCast® 2 adapts easily to cafés, education settings, collaborative spaces and conference environments. Upholstery, armrests, linking devices and writing tablets further extend its flexibility, allowing the collection to respond to a wide range of functional needs.

Stackable and easy to move, FourCast® 2 is designed for spaces that shift throughout the day — from focused work and training sessions to informal gatherings and larger group settings. Its refined profile and wide range of finishes allow it to sit comfortably within contemporary interiors while maintaining a quiet sense of order.
