

FourSure® 90/105 Sled

DESIGN STRAND+HVASS
OCEE & FOUR DESIGN, DENMARK

FourSure® is a versatile seating collection designed for shared spaces, meeting rooms and everyday workplace settings. With its gently contoured shell and range of base options, the collection brings a calm, balanced presence to cafés, collaborative environments and learning spaces.

Available across four-leg, sled, swivel and high stool configurations, FourSure® adapts easily to the changing rhythms of contemporary interiors. Its softly curved form and subtly flexible shell support natural movement, offering a relaxed place to pause, meet, gather or work.
