

Freya

infiniti

DESIGN CLAUSSBREINHOLT
INFINITI, ITALY

Freya is an expression of pure and linear design, in which shape and functionality go hand in hand. Innovation is expressed through the design: for the first time, a monoblock chair is presented in recycled plastic with an upholstered internal shell. The gentle curvature of the injection-moulded frame embraces and accommodates soft upholstery, creating continuity and extreme comfort.

LEADTIME

12-14 Weeks

WARRANTY

3 Year Structural

CERTIFICATION
