

## *Guell*

derlot

**DESIGN** ALEXANDER LOTERSZTAIN  
DERLOT, AUSTRALIA

Inspired by the serpentine bench seating that frames Gaudi's Park Güell, the Guell collection is centred on curved, clean lines and open, flowing spaces. Park Guell was designed to enhance the qualities of the existing landscape, and Guell playfully channels this vision. Guell's modular nature and power and data integration allow it to coalesce with all environments, making adaptable seating a walk in the park.
