DESIGN ANTONIO RODRIGUEZ
LACIVIDINA, ITALY

The Guest modular sofa system responds to the needs of the contract and residential markets with its substantial dimensions and enormous scope for flexible combinations. Soft fluid lines define this sitting landscape, while it has undeniable breadth secures its position as the centre of attention in any setting.

Designed to meet demands of the contract market, Guest is masterfully crafted while avoiding excessive volume and superfluous details such as stitching, which has been limited to a minimum to give it a seamlessly, refined appearance. Sophisticated, elegant and welcoming, Guest fits marvelously into any architectural surrounding and its modularity makes it ideal for large areas.

The Guest collection comprises 23 different shapes and sizes designed to mix and match to create an array of modular solutions. The simple yet sumptuous collection includes lounge chairs, 2 or 3-seater sofas, ottomans and poufs make up the initial collection with modular components expanding into larger flexible settings.
