Part of the 'Turn' lounging collection from Bensen, the Hi Turn is a high-back swivel lounge chair with a discrete circular metal base that rotates smoothly through 360°. The combination of an internal steel frame, injection molded cold foam and a soft down seat make for an inviting and comfortable chair with a tailored appearance.

The Turn collection consists of the Hi Turn, My Turn, Lo Turn and U Turn swivel lounge chairs, the U Pouf and the U 2 Seater sofa. Lounge chairs are available with or without a memory return mechanism to bring the chair back to its intended position and fabric covers are removable for easy cleaning or replacement.
