

Huggy

DESIGN ANTOINE LESUR
LOCAL EDIT, AUSTRALIA

Every Huggy piece is a standalone statement full of character and restraint. The emblematic armchair, the playful stools, the charismatic hanger... Huggy revisits bistro furniture to redefine it with a unique aesthetic and unseen playfulness.

Containing exactly zero sharp angles, its nonchalant outlook and sturdy design are an example of brilliant engineering at the service of originality. A body of aluminum T6 means every piece is ultra light yet heavy-duty, add a layer of trademark powder coating and you have a high performance promise from any piece, on any location, indoors or outdoors.
