

Idda

laCividina

DESIGN ANTONINO SCIORTINO
LACIVIDINA, ITALY

The Idda is a sculptural coffee table that pays tribute to the beauty of Mount Etna's winding lava flows. Featuring exceptionally delicate and harmonious sheet metal, the table's structure takes the outline of the volcano and turns it upside down.

Varying sized strips of metal are bent by hand and placed on top of each other to form three or five layers, creating a coffee table with full, natural shapes.

LEADTIME

12-14 Weeks

WARRANTY

3 Year Structural
