**DESIGN** ILSE CRAWFORD  
WÄSTBERG, SWEDEN

Ilumina, designed by London-based designer Ilse Crawford for Wästberg+, brings warmth and sophistication to interior spaces. With its elegant, minimalist form and thoughtful functionality, Ilumina balances refined design with everyday practicality.

Crafted from high-quality materials, it delivers both direct and diffused light, creating a soft, inviting glow.

Its clean lines and simple geometry make it highly versatile, allowing it to sit comfortably within a range of interiors, from dining rooms and living spaces to workplaces.

Ilumina integrates effortlessly into different environments, offering both aesthetic clarity and functional illumination. Designed to enhance the atmosphere of a room, it is a considered and enduring lighting solution.
