Where craftsmanship meets contemporary elegance.

Prepare to add sophistication to your space with Kaeo, the revolutionary timber chair that redefines modern design. Meticulously designed in-house, this stunning piece is more than just a seat—it's a statement of sophistication and natural beauty.

Carved from premium FSC solid ash, Kaeo celebrates the raw, organic essence of timber. Each chair tells a story of exceptional craftsmanship, with smooth, minimalist lines that whisper elegance while embracing a subtly rustic charm. Whether adorning an urban office kitchen bench, restaurant layout, or a cutting-edge commercial space, Kaeo adapts effortlessly, becoming an instant focal point.

Comfort meets customisation with our optional fixed seat pad. Imagine sinking into a chair tailored precisely to your aesthetic—upholstered in your chosen fabric or luxurious leather. This isn't just a chair; it's a canvas for your project style.

Kaeo isn't just furniture. It's an experience. It's an investment in design that speaks volumes about your projects discerning taste.
