

Kingston

DESIGN FOERSOM & HJORT-LORENZEN
CANE-LINE, DENMARK

The Kingston collection has a unique design that combines the best elements of a modern design with high functionality. Despite the size, the collection can be stacked, and it is especially convenient if you have limited storage space. Manufactured in Cane-line Weave®, which is an incredible weather resistant material. The Kingston has a long lifespan and has a high lightfastness, which means it can easily stand out all year round. It requires minimal maintenance and cleaning. Sit down and enjoy those warm summer evenings.
