

Koi-Booki

PEDRALI

DESIGN CLAUDIO DONDOLI & MARCO POCCHI
PEDRALI OUTDOOR, ITALY

Koi-Booki's design is defined by a repetition of geometric elements, creating a striking graphic pattern that enhances both its appearance and functionality. The chair features a monocoque seat in injection-moulded polypropylene, paired with a die-cast aluminium frame and extruded aluminium legs for durability and style.

Koi-Booki is stackable and can be fitted with a connection hook for arranging rows of seats, making it suitable for various settings. A thermoformed fabric cushion is available as an accessory, and a fireproof version is also offered for added safety.

LEADTIME

12-14 Weeks

WARRANTY

3 Year Structural
