DESIGN LOLL DESIGNS
LOLL DESIGNS, USA

Inspired by chairs from furniture designer Hans Wegner, the Lago features an exaggerated width which allows you to get comfortable when lounging for an extended period of time. A steep angled seat and backrest helps set a relaxed but comfortable posture and both are thoughtfully curved for added comfort without the need for a cushion.

Simple notches in the seat hold a thin stemmed wine glass when a side table is out of reach. Constructed from thick recycled HDPE, Lago is suitable to live outdoors.
