DESIGN INGA SEMPÉ
WÄSTBERG, SWEDEN

Lampyre, designed by French designer Inga Sempé for Wästberg+, is a refined pendant that blends minimalist aesthetics with practical illumination. Drawing inspiration from nature and organic forms, it brings a sense of warmth and tranquility to interior spaces.

Crafted from high-quality materials, Lampyre features a gently sculpted shade that emits a soft, ambient light, ideal for creating a relaxed atmosphere.

Its clean, fluid lines and subtle curves make it well suited to contemporary interiors, whether suspended individually or arranged in a cluster to create a more expressive installation.

Lampyre works comfortably across both residential and commercial settings, from dining rooms and kitchens to hospitality environments. Its understated elegance and versatile design allow it to complement a wide range of interiors, providing both aesthetic appeal and functional lighting.
