CRASSEVIG

DESIGN GUGGENBICHLER
CRASSEVIG, ITALY

Crassevig's main strength is in their unique skillset and meticulousness in plywood bending. The Lineo Collection is a result of the utilisation of this expertise. This collection offers stools, small tables and benches which can be used as stand alone pieces or combined together. The frame consists of metal steel and the seats (or tops) are offered in natural plywood, lacquered or in an upholstered option.
