wästberg

**DESIGN** DIRK WINKEL  
WÄSTBERG, SWEDEN

Linier, designed by Berlin-based Dirk Winkel for Wästberg+, is a sleek lighting fixture that balances modern design with practicality. Its minimalist linear form introduces a clean, contemporary presence to both residential and commercial interiors.

Crafted from high-quality materials, Linier delivers both direct and ambient light, providing versatile illumination while maintaining a restrained aesthetic.

Its elongated profile makes it well suited to spaces that benefit from subtle yet effective lighting, whether positioned above a dining table, along a corridor, or within a workplace.

Linier combines form and function with quiet confidence. Its understated character allows it to integrate effortlessly into a range of interiors, creating a refined atmosphere while meeting practical lighting needs.
