DESIGN SABINE MARCELIS
LACIVIDINA, ITALY

A sculptural, soft-as-it-looks seating system designed by Sabine Marcelis, blurring the line between furniture and fluid form. Named after the French word for “soft,” Lisse is a module-free, upholstered ensemble that adapts effortlessly to both private and public spaces. Its curved, flowing shape – covered in a stretchy, recycled-polyester fabric – has minimal visible seams, delivering an organic sense of comfort and visual purity.
