

Loop Mono Sled

infiniti

DESIGN CLAUD BREINHOLT
INFINITI, ITALY

A fresh take on the iconic Loop chair, Loop Mono blends minimalist design with sustainable materials. Crafted from recycled polypropylene, it's lighter and more streamlined, while keeping the signature ergonomic curves that made the original so well-loved.

Designed for versatility, Mono pairs with a range of base options – timber, sled, swivel and more – making it equally at home in residential, commercial, hospitality or even outdoor settings.
